**GARAGE AND 10
AUTOMOBILES GO
UP IN FLAMES**Loss of \$25,000 inflicted by
Worst Vanderbilt Fire in
12 Years.**ORIGIN IS NOT KNOWN**

Fire of unknown origin completely razed the large garage of the Martin Bus Company at Vanderbilt early this morning. The flames inflicting a total loss estimated at \$25,000. Ten automobiles, four of them the property of the Martin of Dawson, who owned the garage, went up in flames. But one machine escaped. The other six automobiles were placed there by individual owners for repairs or storage.

The fire was discovered by John Eaton, the night watchman, who hastily aroused neighbors. Constable Jerry Rittner and son, Albert, were the first to get on the scene but were unable to do anything. A large number of neighbors assembled around the burning building, unable to do anything but look on as the flames had obtained a readyway and it was out of question to extinguish the fire. A bucket brigade was formed to save nearby buildings and other structures. According to a neighbor, the fire broke out in the office. Rumors that a roofing stove explosion was ungrounded, as there was fire of no kind in the office.

Mr. Martin is the heaviest loser by the fire. Four of his cars went into flames. Fortunately, the two large buses, Miss Charlotte and Miss Connelville, were being used as a hall-school party at Shady Grove. Clifford Snyder is another loser by the fire. Mr. Snyder had a large new Case touring car stored. A large stock of tires recently purchased by Mr. Martin also went up in flames.

Lewie Colbert had his car stored in the garage but it was saved as it was parked the closest to the door and was shoved out by several men. Mr. Colbert lost about \$200 worth of tools that were in the garage.

The building was a landmark erected about 20 or 30 years ago by George M. Strickler and was used as a barn until last spring when Mr. Martin rented it as a garage. The structure was 80x160 ft. in size. It was constructed of pine and being very dry, the flames burned very rapidly.

When approached by a reporter early this morning, John Eaton, the night watchman refused to say anything about the fire. "You can't get anything from me," was all he had to say and closed the door of his home. No one was injured by the fire.

This was the largest fire in 12 years at Vanderbilt, since the entire business section was wiped out by flames. Vanderbilt has very little fire protection, maintaining but one small chemical truck that is pulled by men. Mrs. Abe Martin, wife of the owner of the bus company, is in a serious condition in the Uniontown Hospital. Mrs. Martin will be remembered as Miss Ethel Newell of Dawson. She has a tumor on the brain that causes convulsions.

**GRIM REAPER CLAIMS
MRS. J. W. RALSTON, 62
FOR SEVERAL YEARS**

Mrs. Frances O. Ralston, 62 years old, widely known resident of Connellsville, died this morning at 4:10 o'clock at her home, 353 North Pittsburgh street. Her death was not unexpected. She had been in poor health for the past few years and for some time previous to her death she was confined to her bed. For the past week her condition had been critical.

Mrs. Ralston was a daughter of the late James and Jane Clark McGrath, who at their time were among the most prominent residents of Connellsville. She was born December 18, 1861, in the old McGrath home in North Pittsburgh street and had spent virtually all her life in Connellsville. She was married October 11, 1883, to J. W. Ralston of Connellsville. Besides her husband she is survived by three sons, J. Randolph Ralston, C. Clarke Ralston, and Paul H. Ralston, and one daughter, Miss Mary Frances Ralston, all at home. She is also survived by four sisters, Mrs. Mary McHugh and Mrs. Catherine Patterson, both of Pittsburgh; Mrs. Eleanor Bush, Connellsville, and Mrs. Amelia Madigan, Los Angeles, Cal., and two brothers, Dr. John P. McGrath of Pittsburgh and Charles C. McGrath of Turtle Creek. Mrs. Ralston was a woman of estimable character and with whom she came in contact. Regular high mass will be celebrated Tuesday morning at 9 o'clock at the Immaculate Conception Church, of which the deceased was a member, followed by interment in new St. Joseph Cemetery. The funeral party will assemble at the Ralston home at 8:30 o'clock.

**Shenandoah Nears End
Of 9,000-Mile Cruise;
Due at Lakehurst Tonight****Thousand Signers
In Connellsville
For New Bridge**

The South Connellsville bridge proposition, which advocates the construction of a new crossing at Allegheny avenue as a means of a more direct route to the countryside, through Dunbar, thereby lessening the traffic which is congesting the one highway now in use, took on added impetus at an enthusiastic meeting held Friday night in the council chamber at Dunbar.

Representatives of Connellsville, South Connellsville, Dunbar and much of the mountain district were present. A number of strangers, who wanted to know more about the bridge movement were present and many questions were answered.

The work on the petitions is going along rapidly, it was reported. At South Connellsville the thorough canvass which will result in the signature of every voter in approaching completion. W. S. Trevitt, chairman of the bridge committee, and Burgess W. G. Ketter are handling the petition drive.

At Dunbar the committee is working on persons in the outlying districts, getting every signature available. The same is true of Mount Pleasant. It was the first report heard from that place. Progress there is slow because of the scattered residences.

Over 1,000 signatures have been secured in Connellsville by David Wertheimer, Sr., and Wm. Herd, the latter, who is very active in the bridge movement, reported. A report from Everson was also heard, the petition now being under way there. An indication of the widespread interest in the bridge, and the far-reaching sentiment favoring it, was indicated when a request was received from Mt. Pleasant, to have a petition sent there. That wide-awake mountain section wants to put its energy behind the demand for the new bridge.

The financial quota in South Connellsville, \$250, has been subscribed and other districts are reaching their goal.

On Monday representatives of the committee will go to Uniontown to confer with counsel on the future steps. It is likely the petitions will be ready for presentation before the next grand jury, if the committee chooses to place them before it.

Another meeting of the committee will be held Friday evening, November 7, at the garage of the Wertheimer Motor Company.

Last night's session was the first held in Dunbar and it attracted a number of citizens. That community would be equally benefited with South Connellsville and the two little towns are the prime movers in the demand for the only thing they have ever asked of the county.

**Senators Studying
Untermeyer "Evidence"**

WASHINGTON, Oct. 25.—The Senate campaign fund probes today abandoned open hearings for the time being to give their individual scrutiny to "startling circumstantial evidence" laid before them yesterday by Samuel Untermeyer, counsel for Senator La Follette.

No inkling of the character of the evidence was permitted to leak out. Members of the committee indicated that strenuous efforts will be made to secure corroborative evidence, that will justify the charges being aired in the open. Untermeyer left for New York suddenly last night, promising to return early next week. Senator Borah made it plain that he would consent to no "star chamber" proceedings if the evidence was to be admitted in the committee record.

Killed on Crossing.
E. B. Wright, son of W. A. Wright of Greensburg, was killed in a grade crossing accident at East Liverpool, Ohio, Thursday night. He leaves his wife and a son, Allen. He was a brother of Norman and William Wright of Uniontown.

**STATE POLICE
RAID BREWERY
AT SMITHTON**

By United Press.
GREENSBURG, Oct. 25.—State troopers seized the Eureka Brewery at Smithton, Pa., last night, after an automobile loaded with six barrels of beer was captured emerging from the brewery, according to a report made at the Greensburg barracks today. Guards were mounted over the yards. This plant has been raided before in suspicion it was making illegal beer, the state police said.

**New Navigation Record Set in
Time and Distance in
the Air.**

By United Press.
LAKEHURST, Oct. 25.—The Shenandoah is expected to arrive here this evening but possibly will not land until after dark. It was said following a message from Commandor Lansdowne, aboard the aircraft.

ABOARD THE SHENANDOAH.
Oct. 25.—(By Radio).—New records in air navigation will have been made by the Shenandoah when it completes its spectacular 9,000-mile cruise and is led into its hangar at Lakehurst, N. J., late today.

The cruise is the longest, both in time and distance, ever made by an aircraft of any type. No other dirigible has ever navigated over mountain peaks and through passes as the Shenandoah did in its two crossings of the Rockies.

Officers aboard the ship, as it neared its destination, pointed out that it is the first ship of its type over to cruise west of the Rockies and the first Zeppelin to sail over the Pacific. What it lacks in speed is compensated for in strength, as no other ship could have withstood the storm and strain without breaking up. The cruise also has demonstrated the practicability of the mooring mast for breaking long voyages, for refueling and for making minor repairs.

COLUMBUS, Ohio, Oct. 25.—Cheered by a large crowd gathered at the Ohio Stadium for the Chicago-Ohio State football game the Shenandoah sailed over Columbus today at 1:09 P. M., enroute to Lakehurst.

**CAPTAINS NAMED
FOR MT. PLEASANT
RED CROSS CALL**

Special to The Courier.

MOUNT PLEASANT, Oct. 25.—John L. Shields, chairman of the Red Cross drive for Mount Pleasant and this district, met with his captains at his office in the borough building last evening. Not since war time has so much enthusiasm been shown about anything as has been shown about the Red Cross drive this year. The captains were heartily in cooperation with Chairman Shields, and the chapter chairman, Mrs. S. C. Stenerson. Following is the list of captains for the district:

Borough.—Mrs. Milton Metz, Mrs. Mary Fritz, Mrs. W. S. Huffman, Joseph Zema, Mrs. F. E. Parlertown.—Rudolph Hribal.
Averton.—Miss Ida Hickernell.
Tarr.—Mrs. Raymond Foust.
Kuffsdel.—J. J. House.

It was decided to begin the drive on November 14, and all captains will report to their chairman at the borough building on the night of Wednesday, November 20.

**Typhoid Fever Claims
Life Near Ohiopele**

George Eaton, 19 years old, of Greensburg, near Ohiopele, died at 4:30 o'clock this morning following a brief illness with typhoid fever. The case was diagnosed about a week ago. He was the son of Mr. and Mrs. John G. Eaton. In addition to his parents, the following brothers and sisters survive: Lloyd and Jarvis, Laura Belle and Ida, all at home; Mrs. Albert Zebony of Greensburg; Mrs. Ralph Butcher of Akron, Ohio; Mrs. Jacob Miller of Somerset; and Mrs. E. A. Miller of Connellsville.

The hour for the funeral service, which will be held on Monday, has not been announced. Interment will be made at Ohiopele.

**Long Missing New
York Boy Located**

By United Press.
NEW YORK, Oct. 25.—Franklin J. Roach, 14 year old schoolboy, missing from his home since September 21, has been located, police were informed today. All information as to his whereabouts was withheld, save that he was not in the city. The police refused to say whether he had been kidnapped.

**Secretary
Wallace Is
Near Death**

By United Press.
WASHINGTON, Oct. 25.—At 1 P. M. today Dr. Joel T. Boone notified the White House that Secretary of Agriculture Wallace was "just barely alive."

WASHINGTON, Oct. 25.—The condition of Secretary of Agriculture Wallace, ill in the Naval Hospital here following an operation for the removal of the appendix and gall bladder, was reported today to be "most unfavorable" by Dr. J. T. Boone, White House physician. "The toxemia which caused his relapse has become more intensive," Boone said.

"The toxemia which set in following the operation resulted in an infected condition of the intestines," Boone said. Wallace became unconscious again this morning after having been unconscious all day yesterday.

**Ukulele Girls Feast
On Turkey at Home of
Congressman Kendall**

Members of the Republican Girls Ukulele Club on their visit to Meyersdale Friday to play and sing at a Republican rally, were guests at a turkey dinner at the home of Congressman S. A. Kendall. Included also were Dr. and Mrs. Thomas R. Francis and Mrs. A. Karl Vannatta, who accompanied the girls.

Before dinner the members of the club witnessed the latter part of a football game between Meyersdale High and Ligonier, in which the former won.

The theatre, in which the rally was held, was filled to capacity standing room and the girls were given an ovation. Each was presented with a box of candy.

The club has been invited to play at Indiana Wednesday and Somerset Friday. It is probable the latter invitation will be accepted, but school duties will prevent acceptance of the invitation to Indiana.

**Vanderbilt Youth
Stabbed in Lung**

Jesse Moore, colored, had about 15 years old, son of Mr. and Mrs. John Moore of Paul Works at Vanderbilt, in suffering from a cut in his left lung, inflicted by a pocket knife, the blade of which was three inches long. According to Dr. G. B. Roberts of Vanderbilt who gave medical treatment, air was coming out of the lung through the cut. The knife blade penetrated between the fifth and sixth ribs.

Robert Lockette, another colored lad of the same place, about 14 years old, is accused of the cutting. It was said that the two lads were in an argument and that Lockette flashed his knife and inflicted the cut, running away from the place after the deed.

**Pittsburgher Given
Lift, Then Robbed**

By United Press.
BATTLE CREEK, Mich., Oct. 25.—Seriouly bruised and beaten by two hold-up men, W. A. Ruppert of Pittsburgh, was found lying on a public highway near Camp Custer early today. According to Ruppert's story his attackers offered to give him a lift to Chicago. Near Chicago they stopped the car, beat him, took his money and jewelry, amounting to several hundred dollars, and drove away.

**Why Churches Are Putting
On Go to Church Campaign**

The "Go to Church" campaign, to be conducted by the churches whose pastors comprise the membership of the Connellsville Ministerial Association, is now fairly under way. It began last Sunday but the details involved in its inauguration were not completed in all the churches. The movement will, therefore, be given impetus tomorrow. In further explanation of the reasons for the campaign the committee of the Ministerial Association in church has issued the following statement:

"The churches of our city are making an effort to reach the men who have gotten out of the habit of going to church. There are some who have wandered a long way from the church. The automobile, the golf links, with the motion picture, have taken the place of the church. The church is the most sacred spot on earth outside of the home. There we were dedicated to God in infancy. At the altars of the church we offered our hearts to Christ. There we marched in step to the music of the organ as the wedding march was played, and when the wedding march had turned into a funeral dirge and the orange blossoms like immortelles, we paused again before the altar of the church to bury our precious dead.

"Why should we stay away from such a place? The habit of lying about or the late breakfast has dulled the tired business man's religious enthusiasm. But the T. B. M. has a soul and it is worth saving. The church believes this. The churches of our city believe this, hence this 'Go to Church Campaign'.

"Our churches are trying to make their services so rich in spiritual things that every man should be willing to help in saving himself.

"Herein tomorrow to go to church and start a habit which may bear fruit of incalculable good."

C. A. R. D. CLUB GIVES

DELICIOUS DANCE.
The Kiwanis Club rooms were the scene last night of one of the most charming social functions of the season, the occasion being the third annual Halloween dance of the C. A. R. D. Club. The dance was looked forward to with keen interest by members of the younger set and the affair last night was more enjoyable than its predecessors. The committee in charge was Miss Mary Belle Driscoll, Miss Elizabeth Girard, Miss Edna McManis and Miss Monelle Finley and so much credit cannot be given the young women for the success of the dance. Not the slightest detail in arrangement was overlooked and every effort was made to present a more attractive appearance. Beautifully decorated autumn leaves were artistically placed in every available space. One hundred and forty guests, all masked, were in attendance and all report a most enjoyable time. The costumes were grotesque and it would have been a difficult matter to guess the identity of the dancers. As the guests arrived they were presented with Halloween novelties. At 10 o'clock the grand march, led by Miss Sara Belle Driscoll and Albert Durio, took place after which lollypops and confetti were distributed among the dancers. Delightful refreshments were served throughout the evening. Patrons and patronesses were Miss Fulton, Miss Cotton, Miss Potts, Miss Saylor, Miss Kilgus, Miss Nannah, Miss Gertz, Mr. Phillips, Mr. Brown, Mr. Corbin, Mr. Spangler, Mr. Porter, Mr. Guntzler and Charles E. Porter, Jr. Out of town guests were from Dunbar, Uniontown, Brownsville and Scottsdale.

MRS. H. B. PIGMAN TO GIVE

SEVEN O'CLOCK DINNER.
Mrs. H. B. Pigman will be hostess at a turkey dinner of charming appointments tonight at her home in East Crawford avenue in honor of the anniversary of her birth. Covers for fourteen will be laid. Halloween decorations with chrysanthemums centering the table will be carried out in a very attractive manner. Out of town guests will include Mr. and Mrs. C. A. Seidle, Mr. and Mrs. J. T. Farrell and Grant Pigman, all of Pittsburgh and Mr. and Mrs. Oscar Johnson of Uniontown.

Gibson High Notes

The Gibson Schools held a fire drill Friday afternoon. The pupils in the new building left within 55 seconds while the old building was vacated in 70 seconds, the time being made with very little confusion.

There will be no school at South Connelldale next week on account of the annual teachers' institute in Uniontown.

Claude Bradley, a student in Gibson school, has entered the national highway essay contest, competing with thousands of students from schools in every section of the United States.

Robert Leonard is ill with an attack of scarlet fever, while Joseph and Myrtle Humberston have measles.

The literary meeting on Friday afternoon was very interesting and entertaining. One of the features of the program was an excellent violin selection by David Sherry, accompanied by Miss Frances Sherry on the piano.

The debates proved both entertaining and interesting, the subject being, "Resolved, That Latin Should Be Required by Every High School." The negative side was given the decision. The teams were composed of: Affirmative, Eugene Egan and Thelma D. Bolt; negative, Margaret Fisher and Edward Wersching. The following students also took part in the program: Paul Richter, James Gill, Beatrice Williams, John Heinbaugh and Margaret Kabbala. Miss Beatrice Williams gave an excellent reading.

Pennsylvania Indemnity Continues to Grow

The assets of the Pennsylvania Indemnity Exchange are now in excess of \$1,350,000 and which reflects a steady growth in business. The figures are conclusive evidence of the fact that they have what the automobile owner wants in automobile insurance. Much of the success of the Exchange is attributable to the active interest taken in its affairs by the policyholders themselves. Policyholders who have had occasion to avail themselves of the claim service are glad to recommend it to their friends, and in this manner a great volume of new business is written each year.

All applications for insurance are subjected to the closest scrutiny, with the view to combining the business to the best type of risk. This conservative underwriting policy, coupled with the saving in loss payments through direct reporting of accidents, together with the limited overhead expenses, has resulted in an annual refund to policyholders of not less than 25 per cent after the payment of, or provision made for payment of, all claims.

Since organization more than nine years ago, it has satisfactorily settled upwards of 21,000 claims for policyholders and has effected a saving in insurance premiums for motorists of approximately \$2,500,000. It now writes only a non-assessable policy. The home office is in Philadelphia and branches are operated at Pittsburgh, Erie, Harrisburg, Lancaster and Reading, Penna.; Wilmington, Del.; Baltimore, Md.; and Washington, D. C. Samuel G. War Over, New China Regime Takes Charge

By United Press.
PEKIN, Oct. 25.—The new regime in Peking, where Marshal Feng Yuhsiang rules with a muffled fist, encased in velvet, began immediately today the task of demobilizing and feeding the Chi Li troops who have fought on the northern front.

President Tso Kuang signed the mandate which officially ended the war and deprived Wu Pei Fu of his command and matters now are completely in Feng's hands.

Announcing the Sale of
Imported Wall Tapestries
NOTHING adds so much richness and distinction to a home, so much interest and quiet color, as a wall tapestry.
And knowing that so few beautifully woven, richly colored tapestries can be purchased at a price not prohibitive, M. Bernardo announces the purchase and sale of newly imported tapestries, direct from Italy, most moderately priced. In fact, for so much clever, accurate workmanship, they are remarkably low priced.
There are many subjects pictured in these softly colored, intricately woven wall decorations. Hanging over your fireplace, can't you almost picture the refreshing change they will bring into your home?
To have one for your fireplace, or for a holiday gift, call 968 on the Bell Phone, and a representative will gladly bring samples to your home—so that you may see how they fit into the scheme of your interior decorations.

There's plant-like power in Jewett's big 30 h. p. Paige-built motor. So Jewett outperforms others. To equal this power, smaller motors must be speeded up. At the same car speed—these smaller motors must turn over far faster than Jewett's big motor. So they wear out faster!
Can lighter cars equal the sturdy Jewett's strength? The strength-giving materials, in any car, are heavy! Steel weighs more than wood or tin. So Jewett's extra weight means extra pounds of strength!

Revived Spirit May Prevail At Game With McKeesport Hi Today; Coker Fans Aroused

Team, With Feeling for Its
Coach Dominating, Out to
Win for Him.

PARADE TO BALL FIELD

A revival of town enthusiasm was expected to sweep Conneltsville this afternoon in response to the appeal of a committee of Rotarians and Elks to "come back" on the sport map and put the city across as a live center in anything it backs.

At present, one thing mostly in need of moral support is the Conneltsville High School football team. It has consistently lost this year and it is felt a little backing by the adult rooters of the community would bring a victory. Nevertheless, it would show the boys their town is behind them, whether they rise or fall. The bumps they suffer in the game are no less severe because of a defeat than they are in winning.

Although the movement will not have attained its height today, when McKeesport is scheduled at Fayette Field, it will get a bigger response next Saturday.

The town was placarded yesterday afternoon and last night, advertising the game as a "motor festival."

"Take the afternoon off and help Conneltsville BEAT McKeesport," one of the slogans said.

Will we beat McKeesport? WE WILL! That is the wording of a tag worn by students of the school.

School spirit has been given added impetus by the booster movement and one of the biggest cheering sections of the season will probably be at today's game. The Elks Band will head a parade to the ball park. The students will assemble at the High School for the march and the fans are invited to fall in line.

DUNBAR TWP. FACES STIFFEST END OF SEASON'S SCHEDULE

Dunbar township gridders will contend with a stiff schedule for the remainder of the season. Beginning with today's game at Republic with Redstone Township, one of the most strenuous schedules ever arranged for the school is to get under way.

The next game of the season is with the East Huntingdon High School squad on Saturday, November 1. The team made an excellent showing against Westinghouse Tech some time ago. Westinghouse winning 26-0. The Red and Black plays at East Huntingdon.

The following Saturday is an open date, with negotiations ending with Fairbance. November 14, a Friday game finds the Dunbarites at McClellandtown to meet German Township. German Township has a stronger team this season than last and its defeat over Redstone several weeks ago was not a surprise.

The closing contest of the season is well known to every man, woman and child in the county who ever heard of Dunbar Township. The annual athletic relations between the Red and Black and the Conneltsville High School are resumed every Thanksgiving Day when the football season for both elevens closes. Both teams are blood rivals and either craves for a victory in any combat as in this particular one. Fayette Field is always thronged to capacity when the two teams meet.

The Dunbarites have won only one game in the first four starts, taking the last conflict from Hurst High School of Mount Pleasant Township.

50 HOUR ENDURANCE TEST OF NEW STAR CAR CLOSING TONIGHT AT 7 O'CLOCK

Thousands of persons are now interested in the mileage being made by the new Star car being tested by the White-Lyons Motor Company, agents in Conneltsville. The test will come to a finish this evening at 7 o'clock at the City Hall, Conneltsville, at which time Mayor Mitchell will remove the seal and announce the mileage recorded. Prizes totaling \$275 will be given persons who guess the correct, or nearest correct, number of miles the car has run in the 50 hours. The first prize is \$100 credit on the purchase of a new Durant or Star car; second nearest, a \$50 credit and third \$25 credit. There will be five other credits of \$20 each for the next nearest guessers.

The car has made trips to Johnstown, Greensburg, Ohio, Somersfield, Layton, Brownsville, Uniontown and other nearby towns. Many guessers are being received at the White-Lyons office. Send your guess in right now. It must be received before 7 o'clock tonight. Advertisement. —25oct-1.

CELTIC GRIDDERS DEFEAT WEST SIDE AGGREGATION, 13-0

The Celtic football team, playing the Gallagher A. A. eleven at Fayette Field last evening, won the game, 13-0. Both touchdowns were made in the first quarter, Willis and Deleat each scoring.

After the opening period the two outfits battled mostly in mid-field, neither being able to gain an advantage.

The line-up: Celtic—J. Gallagher A. A.—J. Fenello, L. E. Burkholder, Noschese, L. T. Porter, Mart, L. G. George, Ford, C. Deleat, Robertucci, R. G. Polster, Johnson, R. T. Cunningham, Suddasy, L. E. Ebbins, Deleat, Q. B. Winterholder, Punn, L. H. Reardon, Capriotti, R. H. Rull, Willis, M. B. Carmon. Touchdowns—A. Willis, Deleat. Try for extra point—Deleat. Referee—Buttermore. Umpire—White. Linesman—Martray.

Vanderbilt Aces Challenge County

The Vanderbilt Aces extend a challenge to any junior bowling team in the county to a three-game series. The Aces, composed of lads between the ages of 18 and 20, have won seven consecutive games and have been topping everything in its path, including several fast all-star teams. The victory last evening over the Athletics when the Aces chalked up a total of 1,911 has inspired the entire town to support the bowlers in proclaiming the county junior bowling championship.

A series can be arranged with Nicholas Cavalcante, care Cavalcante Recreation Parlors, Vanderbilt, or J. H. Whorle, care The Courier, Conneltsville.

Poor Old Man Baseball

Poor Old Man Baseball is certainly losing its hold on John Public. Only 25,000 fans saw the Dodgers triumph over Reds at Brooklyn September 14. A mere 20,000 turned out at Chicago to see Babe Ruth; the Tigers played to a large crowd at Detroit, while the walls of the Polo ground fairly bulged from the gang which invaded the fair of John McGraw. Yes, golf and the automobile have put the kibosh on baseball.

Helpful to Dodgers

Probably an one factor helped Manager Robinson's Dodgers in their sensational push for the National league pennant more than his Jacques Fourrier. His hitting was hard and timely, and his sliding brilliant.

SCHOOL BOND ISSUE BEING EXPLAINED IN EAST HUNTINGDON

First of Series of Meetings Held
Last Night; Others
Next Week.

HALLOWEEN FUNCTIONS

Special to The Courier.
SCOTTSVILLE, Oct. 25.—The first meeting to explain the need of a bond issue for schools in East Huntingdon township was held at North Scottsville last evening. Other meetings to follow will be at Ruffsdale on Monday evening; at White school on Tuesday evening; at Tarr on Wednesday evening; at Alverton on Monday evening, November 3.

The bond issue for East Huntingdon township is one of the most important things that has ever come before the residents of that community. It is explained. If the bond issue is lost at this election, the new high school building cannot be completed for at least two years. And this can only be done by increasing the taxes. With the bond issue the taxes will not be raised for some time to come, if ever, and the bonds will be retired in such manner as not to burden the people.

If the bond issue becomes a reality at the coming election the new school building will be completed by the next term of school. Without the bond issue the congested condition of the schools will not be relieved and since the state board has announced that old buildings are inadequate for the purpose of holding school, the attendance has increased 50 per cent. The increase in attendance this year over last year is 25 per cent.

The T. W. M. A. Club held a masquerade dance in Moose Hall last evening for members and friends. The hall was beautifully decorated in keeping with the season. Many novelties were presented during the evening.

The American Legion opened its dance season last evening with a masquerade dance in the Legion rooms. The hall was most beautifully decorated. Out of town guests were present from Conneltsville, Greensburg and Mount Pleasant.

Indicating Chevrolet Quality

Power!

Power to speed over the steepest hills—to pull through the most difficult roads. Endurance that gives dependability, trouble-free performance and long life. Economy—the greatest in any automobile engine.

These are outstanding characteristics of Chevrolet's famous valve-in-head motor.

The Chevrolet power plant includes a modern 3-speed sliding

gear transmission with hand lever, Rummy electric Starter generator and ignition—water pump to insure perfect cooling, and oil pump for efficient lubrication. The fuel is fed by a modern vacuum feed system.

This is the type of construction found on cars far above Chevrolet in price and it is a fair indication of the quality to be found in a Chevrolet car throughout. Let us demonstrate these facts to your utmost satisfaction.

Lift Stamp Embargo—Budget—The Hungarian government has lifted the embargo on stamps and stamp collections. It also has decreed that since August 1 all passport fees must be paid in gold coupon.

Burgess Shields Issues Statement On Law Enforcement

Continued from Page One.
no well informed person in the Connelville Coke Region will deny that Father Lambing is an earnest temperance advocate.

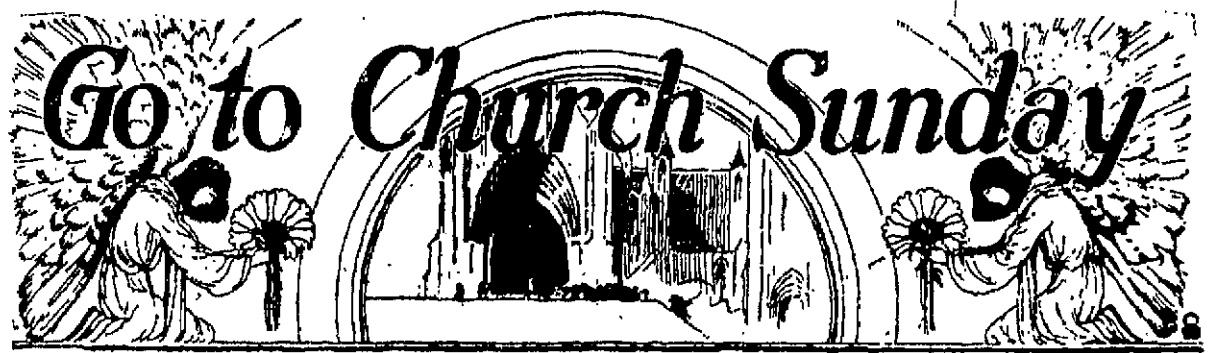

"And now for the College avenue 'auto trap.' The intersection of that thoroughfare with Washington street had long been the scene of colliding motor vehicles, and a big truck had always been in the way. Two of the participants had to be taken to the hospital. All the cars were damaged and the truck busted a catch basin costing the borough \$28.50 for a new one. In response to frequent appeals from citizens of that section, with the sole purpose of protecting life and property and with only the kindest regards for motorists of whom he would like to be one, the burgess set the trap September 26. Back of wide white lines across the avenue were painted the words 'Stop in two feet' in white, while words 'Slow' adorned the Washington street approach.

"The penalty was fixed at \$1, although it might have been made 10 times as much for reckless driving. As motorists complained about the warning being too slight, white lines were placed farther back, with long arrows pointing to the stops. Even at that, on the suggestion of Torrence Donnelly as East End car owner, still farther back were painted three white lines in front of the word 'Danger' and only last week on the recommendation of Walter Freed of Freed Brothers, two signboards on which were painted 'Stop at Next Corner' and for which Galley Brothers was paid \$5 were erected half a block from the intersection. As a rule these signs were fairly well respected through the week, but on Sunday motorists in the generally known absence of the officer stepped on the gas hard.

"To curb this spreading Robert Shoemaker, Andrew Latsko and Alex Zaidon, special members of the force, were ordered to man the trap, Sunday, October 12, by standing back, but in view of it on the street or sidewalk, not behind poles or trees. The net result of their day's work was \$16.40. The total net receipts for the previous month were \$34.20. And the burgess who was in the best position to judge, believes that every dollar collected was turned over to him. In deference to public opinion and as the result of a conference had with the council, however, the burgess laid them off. But he takes this occasion, as a matter of simple justice, to say that he found all three faithful and efficient officers and is grateful to Andy Latsko for having given free instruction to the regular force in operating the department's new motorcycle. Young Frank McGowan, 19 is a true, called them bootleggers but then their stories conflicted to the point of unbelief.

"Local motorists went up in the air properly on the Sunday just mentioned. While the burgess was out with councilman Edward Swartz securing East Huntingdon rights for the use on the Diamond, Clarence E. Zimmerman and Paul Doncaster, representing the county automobile association that is said to have as much as \$25,000 to spend in destroying the 'trap,' hired Harry McIndoe, the board of health's chauffeur, to ward drivers of approaching cars. Scotty did this by holding up traffic and jumping on the running board until arrested by Chief of Police Robert Smith for impersonating an officer. He was released on a \$10 forfeit for a hearing the next evening when he was fined \$20 with costs. The case was appealed to court by Messrs. Zimmerman and Doncaster by giving the borough security in the sum of \$25. The trial is slated for the first week in the November term of court when if College avenue people feel like sending a representative to substantiate what has been said of their long suffering from accidents, the burgess will appreciate the help. Solicitor Eugene Warden says it would be best to remit the fine and settle matters; this is stay out of court. On general principles this mighty sound advice but when a fleet has been forced on him the burgess does not feel like quibbling, thank you.

"Some weeks ago Dr. J. W. Sholar, ignoring safety signs and obstruction, drove his car right through the turn-up Diamond and wasn't found, having been given the benefit of the doubt. He may have been answering a hurried call to relieve an afflicted patient. Then too every motorist could be arrested and fined for exceeding the town's 15-mile speed limit, did not the burgess recognize that such a step

Go To Church Tomorrow! And Then Keep On Going

There will be no lasting benefit in going to Church one Sabbath and then forgetting God the other fifty-one.

Go tomorrow by all means, but make it your fixed rule to keep on going. Yes! Go tomorrow and listen to the choir, prayers and sermon and hold fast to what religion you have. Yes Sir! Go to Church tomorrow.

City Planners Would Improve Arch Street For South Side Route

The improvement of Arch street as the most feasible method of reducing the congestion in Pittsburgh street thereby giving two trunk lines to the South Side, was set forth by the City Planning Commission in a resolution passed at a meeting held last night.

SAVED FROM AN OPERATION

Mrs. Shaw Calls Lydia E. Pinkham's Vegetable Compound a God-Send to Sick Women

Cambridge, Maine.—"I suffered terribly with pains and soreness in my sides. Each month I had to go to bed, and the doctor told me I simply had to go under an operation before I could get help. I saw your advertisement in the paper, and I told my husband one day to get me a bottle of Lydia E. Pinkham's Vegetable Compound. Before I took the third dose I felt better. I took it four times a day for two years, getting better all the time, and now for four years I don't have any pains. After taking the medicine for two years I had another child—a lovely baby girl now four years old—the life of our home. I do praise this medicine. It is a Godsend to women who suffer with female troubles and especially for pains and periods. I surely was very fortunate, and I know that Lydia E. Pinkham's Vegetable Compound saved me from an operation."—Mrs. JESSIE M. SHAW, Route No. 1, Cambridge, Maine.

A country-wide canvass of purchasers of Lydia E. Pinkham's Vegetable Compound reported 98 out of every 100 women benefited by it. For sale by druggists everywhere.

City Council is urged to take the action necessary for widening the street and its improvement from Peach street to the city limit.

The commission also arranged to extend Residential Section No. 1 to include a portion of the district west of Pittsburgh street and also more territory on the east side of that street. A hearing on this proposal has been set for November 7.

The commission will soon present to Council a list of several streets where it will ask that building lines be established. Greenwood boulevard will be included in this list. Two permits for residences on this thoroughfare were granted last night, both of which are on a 120 foot back of the property line.

Ashe Administration At Penitentiary Is Pleasing to Pinchot

By United Press. PITTSBURG, Oct. 25.—Governor Pinchot expressed himself as greatly pleased with conditions at the Western Penitentiary and with the work of Stanley P. Ashe at the conclusion of an inspection of the penal institution today.

Accompanied by members of the board of trustees the governor toured the shop and quarters of the penitentiary, greeting the convicts with a wave of his hand.

"I've been here three or four times now," the governor said, "and note a very marked improvement. You can see it in the condition of the men and in the physical condition of the penitentiary building."

The chief executive declared he was particularly pleased with the appearance of the athletic field which has been established on grounds formerly occupied by a greenhouse. The governor declared the board had done a fine thing in the appointment of Mr. Ashe as warden.

The governor attended a meeting of the board which took up routine matters of prison finance. The resignation of the penitentiary chaplain, Rev. Fred Odell, was accepted.

Y. M. C. A. Leader Praises Coolidge Foreign Policy

WASHINGTON, D. C., Oct. 25.—The foreign policy of the Coolidge Administration has been commended by Dr. John R. Mott, international general secretary of the Young Men's Christian Association, on the occasion of a visit to the President to pledge him his hearty support in the campaign.

"In the sphere of international relations," Dr. Mott told the White House reporters, "in reference to the Near East, the Far East and Latin America with all of which countries I have had intimate personal sources of knowledge, the ideals and the program of the President and the State Department have not only made for stabilization and reconstruction, but also for the more peaceful and helpful relations between the United States and other nations."

"In the United States my contacts are naturally with the younger generation, and in my opinion it is a healthful and vigorous evidence of the stability of the future of our government to note the interest these younger people are taking in the success of the Coolidge and Dawes ticket."

Legion Posts of County Invited to Shamokin Dedication

All American Legion posts in Fayette and Somerset counties are invited to send representatives to the dedication of the Legion memorial home in Shamokin, Armistice Day, through an invitation received here this morning by Correll J. Poole, past commander of the 24th District.

The Shamokin memorial home was built by the Lincoln Post No. 73 at a cost of \$300,000, and is one of the finest buildings in the heart of that city.

The French and Italian ambassadors will attend the dedicatory ceremonies, and will present a stand of colors to the Shamokin post. The British and Belgian ambassadors also have been invited. Several speakers of national repute will be on the program.

The Paramount

"THE VERDICT OF THE DESERT"—In which Neal Hart is seen in the leading role, and a chapter of "Into the Net" are the leading attractions today at the Paramount. The former attraction is a western romantic drama of the gold rush days, while love, adventure and mystery are woven into the latter picture. The plot revolves around the disappearance of a number of rich girls who have been kidnapped by a group of society values. The search for these girls forms the basis of the story. Edna Murphy and Jack Mulhall are seen in the leading roles. Monday and Tuesday, Tom Moore will be seen in "Marriage Morals."

The Soisson

"THE SEA HAWK," a First National picture adapted from Rafael Sabatini's stirring novel of Barbary corsairs and said to be the crowning achievement of a season of brilliant screen dramas, will open Monday at the Soisson for a four-day attraction. Never have there been ships of such size, nor so many of them actually engaged in combat on the screen; in fact, never have there been such ships seen on the screen; never so many big settings, so many important, surprising incidents in one picture, and so many famous people so active in these incidents. There have been more expensive photoplays; it is true, and perhaps some more pretensions in some particular sequences but it is doubtful if the screen has ever reflected a drama of such general fitness as "The Sea Hawk," and the settings are merely incidental to the principal interest of the play. "The Sea Hawk" is thrilling, appealing and entertaining.

"LOVERS' LANE"—A screen version of Clyde Fitch's stage success, provides splendid entertainment today at the Soisson. An all-star cast, including Robert Ellis and Gertrude Olmstead, has been assembled for the picture.

Mr. Ellis appears in the role of Dr. Tom Singleton, the young physician who, has devoted himself to a life of service, even at the sacrifice of love. Gertrude Olmstead, as Mary Larkin, lives purely for love. Both these players must be commended for the interpretation of their characterizations, which surely are all that Clyde Fitch meant them to be. It is mentioning the players, Baby Bruce Querin should not be omitted. There is perhaps not another baby actor as young as Bruce who can portray a role with such sincerity and reality. There is no doubt that he is a remarkable asset to even the most perfect cast, as this one really is.

"Lovers' Lane" is a picture for everyone, and may we venture to say, a credit to the motion picture industry.

"The Sea Hawk," a First National picture will be the attraction Monday, Tuesday, Wednesday and Thursday of next week.

The Orpheum

"CODE OF THE SEA," on view today at the Orpheum, is a Paramount picture with Rod La Rocque and Jacqueline Logan in the leading roles. Picture fans will remember La Rocque as the hero of "The Ten Commandments" and in "A Society Scandal" with Gloria Swanson and in "Triumph." Miss Logan recently made a big bid for stardom by her work in both "The Light That Failed" and "The Dawn of a Tomorrow." La Rocque has the role of a non-fearing lad, branded a miserable coward

by his associates. Miss Logan is cast as the daughter of a hardened old sea captain, which role, by the way, is played by George Fawcett. Maurice Flynn and Luke Cosgrove also have important parts.

"Code of the Sea" is a clean-cut action-melodrama that is sure to please. Monday, Tuesday and Wednesday of next week, "Triumph" will be shown. Leatrice Joy and Rod La Rocque, popular Paramount stars, supported by a capable cast, are seen in the leading roles.

"Triumph" is the story of a young man ruined by money and a weak man regenerated through the loss of it, and through a wonderful girl. It takes you from the heights of the rich and tosses you into the gutter. It takes another from poverty to wealth and back again. It shows a story of love, war and the triumph of good over evil. It is a picture of the future.
